

**Workshop on Smart and Sustainable Transport
Urban Air Mobility Potential in Montenegro**
IEC Tehnopolis, Niksic (Montenegro) - 25th of October, 2021

09h00	REGISTRATION
09h30	IEC Tehnopolis tour BioLab Tehnopolis / TechLab Tehnopolis / Data Center
10h15	WELCOME COFFEE
10h30	SESSION 1 - SKEYE PROJECT
10h30	Aerospace Technology District (DTA) / Italy
Contents and inputs	<ul style="list-style-type: none"> Project SKEYE and DTA objectives and motivation
Expected output	<ul style="list-style-type: none"> Participants are informed about the project mission and objectives and about the DTA
10h50	Innovation and Entrepreneurship Centre Tehnopolis (IEC Tehnopolis) / Montenegro
Contents and inputs	<ul style="list-style-type: none"> Project SKEYE and IEC Tehnopolis objectives and motivations
Expected output	<ul style="list-style-type: none"> Participants are informed about IEC Tehnopolis motivation in this project
11h00	Albanian Civil Aviation Authority (ACAA) / Albania
Contents and inputs	<ul style="list-style-type: none"> Project SKEYE and ACAA objectives and motivations
Expected output	<ul style="list-style-type: none"> Participants are informed about ACAA motivation in this project
11h10	COFFEE BREAK
11h40	SESSION 2 POTENTIAL FOR INNOVATION IN AIR MOBILITY IN MONTENEGRO
11h40	Ministry of Economic Development - Directorate for Digital Economy and Technological Development /
Contents and inputs	<ul style="list-style-type: none"> Innovation ecosystem in Montenegro – incentives for innovation in air mobility
Expected output	<ul style="list-style-type: none"> Participants gain knowledge on innovation ecosystem in Montenegro with focus on incentives for innovation in air mobility
12h00	Airports of Montenegro / Goran Jandreoski and Miloš Janković
Contents and inputs	<ul style="list-style-type: none"> Air mobility infrastructure in Montenegro – potential for innovation
Expected output	<ul style="list-style-type: none"> Participants gain knowledge on air mobility infrastructure in Montenegro with focus on its potential for innovation

12h20	Civil Aviation Agency Montenegro / Zoran Lalović and Ana Đurović
Contents and inputs	<ul style="list-style-type: none"> • Legal framework for air mobility in Montenegro – Unmanned Aerial Vehicles (UAV)
Expected output	<ul style="list-style-type: none"> • Participants gain knowledge on legal framework for air mobility in Montenegro with focus on Unmanned Aerial Vehicles (UAV)
12h40	Municipality of Niksic (TBC)
Contents and inputs	<ul style="list-style-type: none"> • Airport Niksic – existing infrastructure and the development plans
Expected output	<ul style="list-style-type: none"> • Participants gain knowledge on existing infrastructure and the development plans for Airport Niksic
13h00	LUNCH BREAK
14h30	SESSION 3 - ADVANCED AIR MOBILITY AND URBAN AIR MOBILITY
14h30	Aerospace Technology District (DTA) / Michele Giannuzzi
Contents and inputs	<ul style="list-style-type: none"> • Urban Air Mobility, ASSURED-UAM and CORUS-XUAM projects and the role of Cities, the case of Bari
Expected output	<ul style="list-style-type: none"> • The role of the city for the development of Urban Air Mobility
14h50	TOPVIEW / Alberto Mennella
Contents and inputs	<ul style="list-style-type: none"> • UAS services and their integration into UTM
Expected output	<ul style="list-style-type: none"> • Participants gain knowledge about potentialities of UAS applications into several operational scenarios
15h10	Aerospace Technology District (DTA) / Antonio Zilli
Contents and inputs	<ul style="list-style-type: none"> • Grottaglie Airport Testbed
Expected output	<ul style="list-style-type: none"> • Participants gain knowledge about the creation and development of the Grottaglie Airport Test Bed initiative and its innovation capacity
15h30	Q&A Session
16h00	WORKSHOP PARTICIPANTS' FEEDBACK
17h00	END OF THE WORKSHOP
