Information on the processing of personal data (Exhibitions and events) pursuant to Article 13 EU Regulation 2016/679 - General Data Protection Regulation

This information is provided pursuant to Article 13 of EU Regulation 2016/679 (General Data Protection Regulation, hereinafter "EU Regulation"), in relation to the personal data that Distretto Tecnologico Aerospaziale s.c. a r.l. (hereinafter "DTA") comes into possession as a result of the event called "Drones Beyond" (hereinafter "event"), which will be held on October 25 and 26, 2023 at Fiera del Levante in Bari, and which may also involve audio and video photography.

The processing of personal data is based on the principles of fairness, lawfulness, transparency and protection of confidentiality and all the rights of the data subjects, as specified in the following information.

1. The Data Controller and the Data Protection Designated Person.

The Data Controller is Distretto Tecnologico Aerospaziale S.c.a.r.l., with registered office in S.S. 7 "Appia" km 7+300, 72100 Brindisi, P. IVA 02252090747. The Data Protection Designated Person can be contacted at the e-mail address: segreteria@dtascarl.it.

2. Types of data

The following personal data may be processed for the purposes indicated in point 3.

- Personal data provided directly by the data subject:
 - Common data, such as personal data and contact data (e-mail, telephone contacts).
 - Technical/scientific statistical data collected through questionnaires filled in voluntarily during the event.
- Photos and video footage of the data subject, taken during the event.
- Photos and video footage of the data subject, taken through cameras mounted on UAS (Unmanned Aerial Systems, commonly called "drones") during the course of the event.

3. Purposes of processing

Data are processed for information and dissemination purposes of DTA's cultural, educational, research and third mission activities.

4. Processing methodology

Data are processed in such a way as to ensure maximum security and confidentiality and may be implemented by means of manual, computer and telematic tools suitable for storing, managing and transmitting them.

Images contained in photos, videos or other audiovisual material may be published on DTA's official communication channels (website, social media or other) only with a signed authorization, or for reasons of public relevance and scientific dissemination.

5. Legal basis of the processing and nature of the contribution

Legal basis of the processing is Art. 6(1)(b) and (e) and, in the case of processing of data of a special nature, Art. 9(2)(g) of the EU Regulation, insofar as it is necessary for the performance of institutional tasks of teaching, research or the so-called "third mission" (set of activities of scientific, technological and cultural transfer and productive transformation of knowledge). The provision of personal data, including images, is indispensable for the purpose of the assignment.

6. Publication of photos and videos

Images contained in photos, videos or other audiovisual material captured during the event in presence and/or by online mode may be published on the official communication channels of DTA (website, social media or other), in the presence of one of the following conditions:

- A signed authorization from the data subject;
- Images related to facts, events, ceremonies of interest to the community or that take place in public, and that respect the honor, reputation and decorum of the data subject concerned.

7. Recipients of the data

The data may be communicated, exclusively for the purposes indicated in point 3, to DTA personnel and direct collaborators, professionals and consultants, who provide support activities for the realization and management of the event.

DTA may also communicate the personal data acquired to other public administrations, if necessary, for the achievement of its own institutional mission, as well as to all those public entities to which, in the presence of the relevant prerequisites, the communication is provided for by EU provisions, laws or regulations.

Personal data will be processed by the Data Controller and Data Processors within the territory of the European Union. If, for technical and/or operational issues, it is necessary to use subjects located outside the European Union, such subjects, where they process personal data on behalf of the Data Controller, will be appointed as Data Processors pursuant to and for the purposes of Article 28 GDPR and the transfer will take place within the limits and under the conditions set forth in Articles 44 et seq. of the GDPR.

8. Data Retention

Personal data will be retained for a period no longer than that related to the achievement of the purposes indicated in point 3 and then irreversibly deleted.

Video recordings will be kept for a period no longer than that related to the achievement of the purposes indicated in point 3 and then irreversibly deleted.

9. Rights of the data subject (Access, rectification and deletion of data)

The data subject may exercise the rights set forth in sections 2, 3 and 4 of Chapter III of the GDPR (e.g., access to personal data, rectification or erasure of personal data, restriction of processing of personal data or opposition to processing of personal data, etc.) by sending an email to segreteria@dtascarl.it. The data subject also has the right to revoke consent at any time without, however, affecting the lawfulness of the processing based on the consent given before revocation. The data subject may also lodge a complaint with the Italian supervisory authority Garante della Privacy (<http://www.garanteprivacy.it/>).
